**UNITED STATES' THIRD AMENDED
EXHIBIT LIST**

GREGORY LEE RODVELT,

Defendant.

The United States respectfully submits this Third Amended Exhibit List. It removes Exhibits 122, 133, 134, 140-143, 146, 153, 156, 160, 172, 173a-d, 174, 177, and 195-197. Exhibit 171, still photographs from surveillance video, was re-ordered chronologically, and two photographs were removed. An updated version of Ex. 171 will be provided to the Court and defense. Exhibits 90b and 198b, photo boards of Exhibits 90 and 198, have been added as well. The digital version of Ex. 182, the Improvised Munitions Handbook, which was shown to the jury, is not included as the handbook itself is an exhibit. Finally, FBI "1B" numbers have been removed from the description of the exhibits.

This Third Amended Exhibit List also adds Exhibits 192, 193, 199 and 201.
